## 24th Annual Oak Hill Golf Classic at TPC River Highlands

**Oak Hill turns 125 this year!** In 1888, Emily Wells Foster formed the nation's first nursery school for blind children in her home in Hartford. Through Foster's efforts the organization grew and changed forever the lives of hundreds of blind Americans and their families. In 1893, it would become known as the Connecticut Institute for the Blind, and today we are **Oak Hill**.

Oak Hill is the largest nonprofit private provider of services for people with disabilities in the state of Connecticut. Oak Hill employs over 1,700 professionals who work at our 155 program sites located in 77 towns throughout Connecticut.

**Mission:** Oak Hill sets the standard, partnering with people with disabilities, to provide services and solutions promoting independence, education, health and dignity.

**Vision:** Oak Hill's vision is that people with disabilities will be able to achieve their full potential, engage in their community and meaningful relationships, and fulfill their physical, intellectual, emotional, economic, social, and spiritual needs.

Known and respected in its field for high quality, innovative programs, Oak Hill meets the diverse and changing needs of people with disabilities through community-based education, housing, employment; assistive technology; healthy relationships; early intervention; camping, arts and recreation.

Our goal has always been to set the standard and provide the highest quality care possible.
