

PROGRAM PATHWAYS

Oak Hill and our affiliated organizations, Easterseals and Gilead Community Services, have over 1,400 trained professionals who serve at 124 program sites in 73 towns throughout Connecticut, and in certain areas of Massachusetts and New York.

Oak Hill's continuum of care includes the following distinct programs for those with physical and intellectual disabilities, which are available in all areas throughout the state.

- | | |
|--|--|
| Art Therapy | Eleanor Brooks Blindness Related Supports Center |
| Autism Services | Equipment Restoration Center (ERC) |
| Birth-to-Three | In-Home Supports |
| Center for Relationship & Sexuality Education (CRSE) | New England Assistive Technology (NEAT) Center |
| Chapter 126 Sports & Fitness | Oak Hill School |
| Community Companion Homes | Oak Hill Camp |
| Day Services/Supportive Employment | Professional Development |
| | Residential Services |

The services at Easterseals and Gilead complement Oak Hill's existing programs and resources and provide additional treatment opportunities for each organization.

Easterseals programs include:

Camping & Recreation | Assistive Technology | Adaptive Sports & Fitness

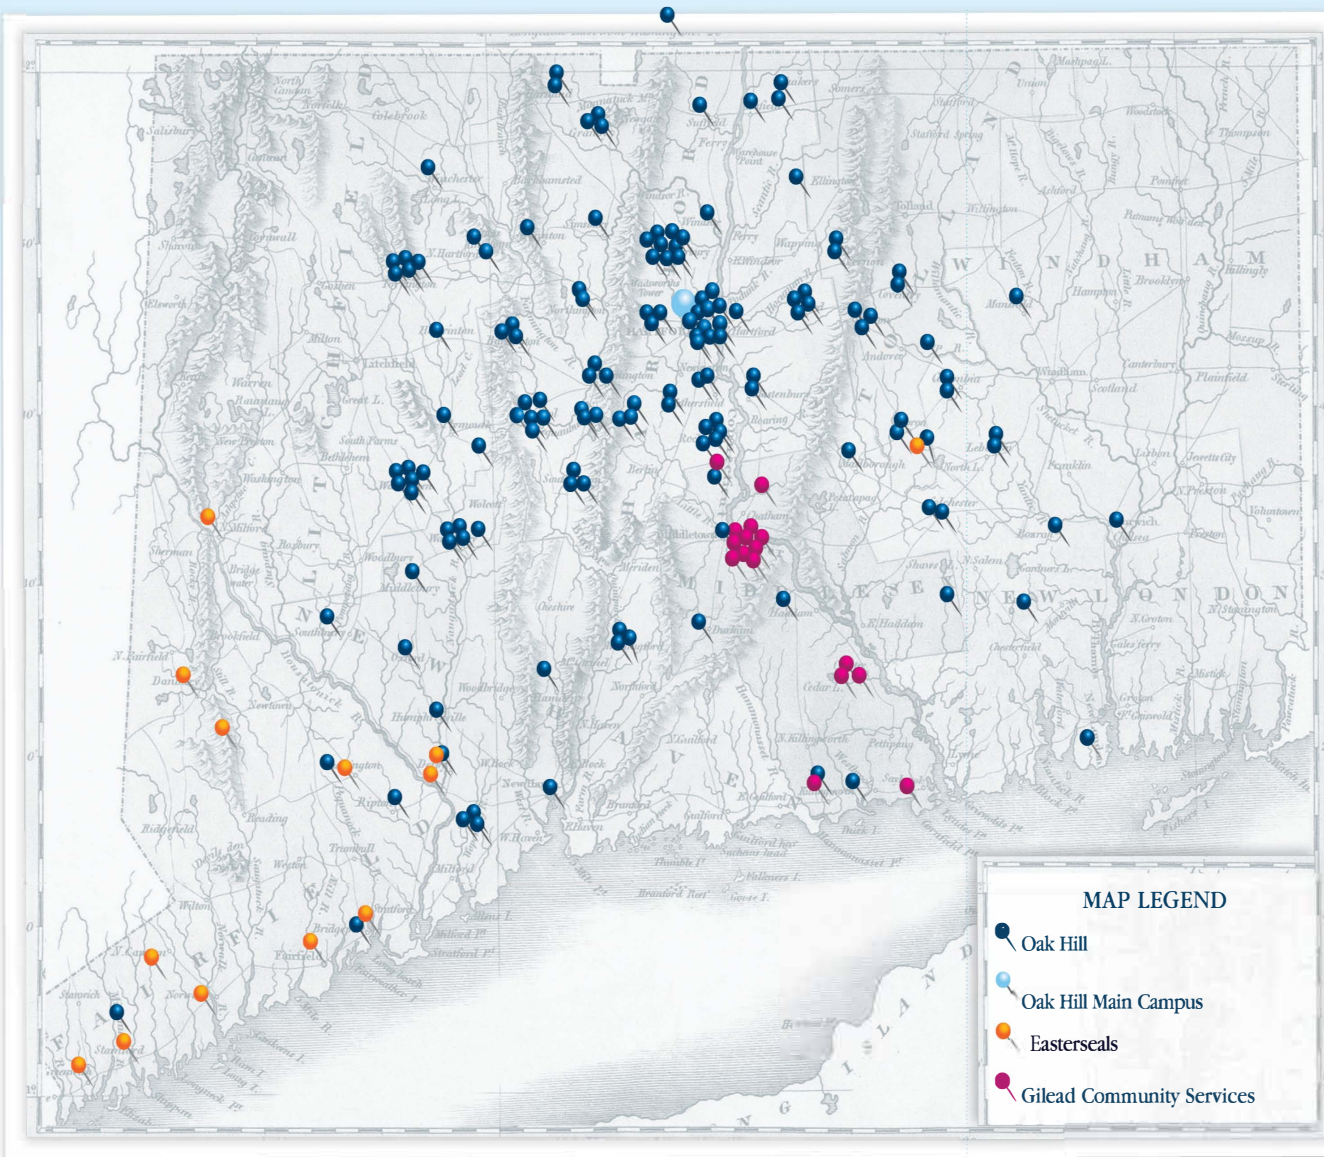

Gilead's programs provide a broad spectrum of recovery-oriented mental health services, which include:

- | | |
|--|----------------------|
| Assertive Community Treatment (ACT) Team | Outpatient Clinics |
| Community Support Program | Residential Services |
| Nursing Home Diversion Program | Social Center |

28 day addiction recovery
