CAN YOU SEW?

Thank you to everyone who has so generously helped Oak Hill as we work to combat the COVID-19 virus. You continue to help us do what we do best; empower individuals with disabilities and empower one another. Thank You!

OAK HILL CONTINUES TO FOLLOW ALL RECOMMENDATIONS FROM THE CDC

We hope that you are all staying safe at home during this unprecedented time.

CAN YOU SEW?

Right now Oak Hill is reaching out to all of our sewing friends who are able to make masks for the essential workers on the front lines of our organization. The mask guidelines are provided by the CDC at: https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html

MASK PRINTS CAN BE UNIQUE!

We are incredibly grateful for mask donations of any kind. We know that our Oak Hill supporters are creative and talented, so we look forward to seeing the beautiful patterns & prints you design!

Fun fabrics will help brighten our days during this difficult time.

For Questions or Mask Drop Off Coordination, Please Contact: Michael.Hoffer@OakHillCT.org
