Testimonials

“This was the absolute perfect venue for our wedding. The price is reasonable and there’s plenty of room to really make the space your own. They have a lot of flexibility which made the whole experience a lot more relaxing and fun. The staff is prompt with questions and you will feel 100% taken care of. We had our ceremony under the pavilion next to the fireplace which was perfect in case of rain and gave the ceremony a romantic, cozy feel. The reception was held indoors with plenty of space for our guests and another room entirely devoted to being a dance area. We had an amazing night and I literally can’t recommend this place enough for any event!”

“The event that I booked was a Celebration of Life. We were very pleased by the whole event. There was plenty of room, adequate restroom space, and the caterer we chose was easily able to provide hot and cold buffet services and a bar for our group of approximately 150 people”
